Computers and Technology: Four Dell wireless laptop computers in each primary classroom, five Dell wireless laptops in intermediate classrooms & six mobile Dell labs. Each classroom is equipped with LCD projector and document camera. Technology lab for all students.

SCHOOL BACKGROUND

Lakewood was established in 1925 and has served the community with an outstanding education. In 1997 we moved into a new building on our campus located between Lake Maggiore and Coquina Key. In 2002 our school chose to focus on medical science and wellness. Lakewood received a Magnet Schools Assistance Program federal grant in 2004 that supports the school's medical science and wellness programs.

SCHOOL HIGHLIGHTS

- Magnet school for medical science and wellness studies
- Four grant coordinators on staff full time, medical science curriculum coordinator, wellness curriculum coordinator, math curriculum coordinator and technology curriculum coordinator
